Dear Colonel

Attached herewith is copy of an Airgram from A.C.C., Balkan Air Force, which I feel you ought to have.

I would like to state that the work of this Wing and my own particular job has been made so much easier by your ready co-operation during rather difficult times. I can only apologize for the difficulties and discomforts which you have uncomplainingly accepted, but I can assure you I do most gratefully appreciate everything you have done.

Confidential

I would like to congratulate all of you - Commanding Officers, air and ground crews, staff officers, clerks, signals and other technical personnel - on the splendid work which you have all been doing during the past fortnight (.). The weather has been appalling both for flying and living (.). You have been shunted about all over the place and I realize how trying you must have found this, but the results of your efforts show how grandly you have responded (.). The enemy is on the run in the Balkans and I know I can bank to you to keep him so (.).

(Signed) H. SINCLAIR

Air Commodore,
Senior Air Staff Officer.
