1. Am very much impressed by the figures for May showing the tonnage of supplies and leaflets delivered to the BALKANS, POLAND AND FRANCE, and the large number of Partisan wounded and other personnel evacuated from the BALKANS.

2. I would like you to congratulate the British, American and Polish Squadrons concerned, and the Units responsible for the packing of supplies. A truly remarkable performance at a time when such efforts are of the greatest value. Keep it up.
